Interrogatories issued for four witnesses in Marshall County, Alabama, viz: Thomas Hale, Walter P. McFarlent, James Rose and Grandson Greenwood. These testify too having been acquainted with Henry Haynes and wife Ann and their four children (as named in petition) from the time they arrived in Marshall County; James Rose said it was Feb. 1839, when they moved there, other witnesses were not so definite, but said it was about 1838 and about 1840. They said that Mrs. Ann Haynes died about 1841, and left her husband and four small children, and that the oldest was Sarah then a girl of about 12-14 years of age and she is now wife of David Rose. Son Joseph died when about 12 years of age. Haynes and his sons were living in Marshall County in 1850, and lived there from about 1838 until since 1850 when he has moved away, some said to Tennessee. Rose and his wife Sarah were living 1850 in Tennessee. Haynes and children lived in West Tennessee two or three years between 1840-1850, but otherwise were in Marshall County continuously from about 1838 until they moved away since 1850. Joseph died in Marshall County about 1851 age about 15-16, and James died, so James Rose testified, after the family moved away. Ann Haynes was the first wife of Henry Haynes; he later married again and his second wife was also named Ann. James Rose was the only witness who knew the maiden name of Mrs. Ann Haynes, saying she was a Dicks, so he heard. Judgement for petitioners.

MARY HOLMAN et. al. vs. WILLIS HOLMAN et. al.
Petition for Leave to sell Real Estate. Filed Dec. 24, 1855.

Lewis Holman died on (blank date) in Barnwell District, leaving a will naming his wife, the said Mary Holman, as his executrix. Testator left his said wife, and nine children as his heirs-at-law, viz: Willis who is of age, Mary who has married David Atterberry, Ann Eliza who has married William Z. Atterberry, James, Henry, Elizabeth, Levi, John and Brown Holman. The last named six being minors under 21. Deceased owned about 800 acres, 6 negroes, 2 horses, 19 head of cows, etc. He was indebted \$3000.00. She has sold a family of negroes and paid off some of the debt but there is still about \$1600.00 and interest owing. Two negroes now on hand. She is destitute of means to pay the debt, the negroes being insufficient. The will directed the personal property be sold to pay his debts but the land to be kept. There are six children at home, unable to do any work of consequence. She does not need all the land they have, and wants to sell about 300 acres of it.

Testimony on hearing show: Tobias Still testified he knows the property and family well; land consists of about 850 acres, etc. Mrs. Holman has four children living with her; the eldest son is 18 but has left her and working for himself. Recommends sale of part of the land.

Court ordered three tracts of the land sold, 221 acres, 79 acres, 30 acres. It produced \$1135.00.

REBECCA E. HAIR, by next friend, vs. IRVINE R. HAIR.
Bill for Support, Injunction etc. Filed Oct. 8, 1857.

Petitioner is the wife of the defendant, and sues by her step-father and next friend William Butler Matheny, and alleges that she and her husband were married in said district on Oct. 13, 1854; and lived together contentedly and getting along well until Sept. 27th, last past, when he left her and their minor child, three years old. The marriage was solemnized only after he had promised both her and her mother, Mrs. Mary Matheny, that he would not after marriage make her go and remove with him West without her consent which he had been talking about doing from time to time before marriage. After marriage, they bought a tract of about 200 acres not far from her mother's

THESE NOTES ARE MADE BY MRS. GEORGIE A. LEFVENDAHL (MRS. O.A.) AFTER A STUDY OF MANY SOURCES, AND INFORMATION GATHERED FROM MANY PLACES. THE STUDY IS INCOMPLETE. THERE ARE A NUMBER OF OTHER PLACES YET TO BE INVESTIGATED BEFORE THIS CAN BE CONSIDERED CONCLUSIVE.

HOLMAN

I. Conrad Holman (I) b. ca 1725 in Germany, or Switzerland
d. Between Nov. 5, 1771, the date he made his will,
and March 19, 1772, the date the will was probated.
(See: Charleston Wills, v. 14, p. 188, Archives
Building, Columbia, S.C.)

Married: Mary Ann.....

b. ca 1725 at same place as husband.
d. 1806 (Death date recorded in the records of Mr. Wm. Capers Holman. He evidently found it in the Family Cemetery, which is located on his land.)
Note: She was called Marion by her husband, as indicated in his will.

Issue: 1. Conrad Holman II b. ca 1751

Note: At the time Conrad Holman and his wife arrived in St. Matthews Parish (1749), the Lutheran Minister, Rev. John Giessendanner was in conflict with the Rev. Berthelomew Aauberbuhler, who also preached in Savannah, and was trying to take over the Parish from Rev. Giessendanner. Giessendanner left in 1749 and went to England to be ordained as an Episcopal Minister, and returned to St. Matthews Parish. Conrad Holman II was evidently born in 1750, and was already baptized by the time Rev. Giessendanner returned. It is evident that Conrad Holman (I) did not think much of the change to the Episcopal faith, because time after time his wife is recorded as having attended christenings, but her husband was not present.

Married:

Note: I wish to further examine the cemetery records on Mr. W.C.Holman's place to see if the Mary Holman buried there in 1806, could have been the wife of Conrad II.

Issue: 1. John Conrad Holman b. Sept. 20, 1775
d. 1837

Married: July 2, 1807, Rachel Wolfe
b. May 26, 1790
d. 1837

Note: These records are in the St. Matthew Lutheran Church Record. I have a copy, of the copy, made from the original record by Mrs. Lillian M. Cain. She indexed the copy, and this is typed in my copy. The names of all the children are in the record. They are also in the record of Mr. Wm. Capers Holman, but some

of the dates vary slightly.

Another difference with Mr. Holman's record, and the one copied by Mrs. Frank Cain, is that he gives the name of the wife as Rachel Knodel Holman, b. 1790 d. 1837. I think it could be the same person.

Stub Entries to Indents...By A.S.Salley

Notes continued: The church record speaks of John Conrad Holman as both John Conrad, and Conrad, giving the name of his wife the same each time. He gave the land for the St. Matthews Lutheran Church.

The Census of 1790 indicates that Conrad Holman II was the father of John Conrad, because he is listed as having 2 males over 16, and 1 male under 16. He also had a wife and 4 daughters.

Conrad II served as a Private in the S.C. Militia from 1781-1783 during the Revolution. I am trying to get more information about the lineage as recorded in the D.A.R. papers for this man.

Conrad Holman II received a Post Revolutionary Land grant of 135 acres in Orangeburg District, recorded Oct. 5, 1789. (On record in Archives Bldg. Columbia, S. C.)

2. Mary Ann Holman b. May 14, 1753 Baptized June 17, 1753 (Recorded in Giessendanner Records)

Married: James Kennerly

Notes: In her father's will, he gives the name of this, his eldest daughter, who married James Kennerly, was to be Executor of the will. Her husband was a witness to the will. So far, there is no further record of her or her husband.

It is my belief that the reason Conrad Holman (I) named his daughter as Executrix, was because had helped in the rearing of his family. None of his other children named in his will.

3. Joseph Holman b. Sept. 8, 1757 Baptized Oct. 9, 1757 (Recorded in the Giessendanner Records)

Married: Margaret Holman b. 1762 d. 1800

Note: Recorded in the St. Matthews Church Records.

26, 1800, Mrs. Joseph Holman age about 38 years
The name and dates also recorded in Mr. Wm. Capers Holman's
records.

Issue:

They had 3 children - Recorded by Mr. W. C. Holman.

4. John Holman (Sr.) b. Oct. 29, 1759 d. April 3, 1821

Married 1st : Rachel.....

Issue: 1. John Holman b. Nov. 19, 1784
2. Joyse Holman b. Feb. 21, 1792

Married 2nd: Magdalena.....

Issue: Children of second marriage named in Will of their,
and in the records of Dr. E. B. Hallman. Dr. Hallman
has a copy of the Bible Record which he received from
Mr. B. F. Mount, of Palmetto, Florida.

Notes: Records of the Indian Wars of 1795-1760, show that
Conrad Holman I provided provisions for the Continental
Army. (See History of Orangeburg County, by A. S. Salley
p. 237). The records of the WHETSTONE FAMILY, found
in the book, "Many Years After", by D. Graham Copeland,
p. 303, record that, "Col. John Cheville commanded
the local batallion in which was Major William Thomp-
son, both of whom no doubt enjoyed the entertainment
provided for the Governor by Conrad Holman".

John Holman (Sr.) was born during this conflict,
which accounts for his birth not recorded in the Gies-
sendanner Records of that period. Rev. Giessendanner
died in 1761, ending the Giessendanner record. Mr.
Salley states that not all the children of this man
are named in this record; that pages are missing; and
that some of the book was copied from an earlier book.

It is my opinion that the reason John Holman took
advantage of Land Grants in Barnwell County (Collector
District), was partly because of religious conflicts,
and partly because of relatives in that area. His wife
(1st) was probably one of the 3 un-named, but mentioned,
daughters of Henry Whetstone of that section, and there
were Holman cousins, also. The Church Records of the
Willow Swamp Baptist Church near Norway, S. C., and
copied by Mrs. Josie Worthy Holman and Miss Mary Lynn
Holman, are conclusive proof that John Holman, Sr. was
the father of John Holman, Jr., who became a Baptist
Minister, and who moved to Mississippi.

5. Melchoir Holman b. 1763 d. 1804

Married: Mary..... (Named in St. Matthews Lutheran Church
Church Record)

Notes: This son was born after the Giessendanner Record ended,
but Mr. Wm. Capers Holman, of Cameron, S.C. has a rec-
ord of the family.

Also, one of the Holman family members in a nearby
town, has an old deed for land owned by Melchior Holman.

4/

and witnessed by Conrad, Joseph, and John Holman.

GENERAL NOTES: Conrad Holman (I), may have had several other children. Mr. Lee R. Gandee of Hickory, N. C., has found information to indicate that one of the daughters married a Shular around 1780, or before.

Another indication of a large family, is the Land Grant he received April 10, 1771-shortly before his death - for 550 acres of land. At 50 acres per person, his family was large.

The Jacob Holman, listed in the 1790 Census as being head of his house, two small sons, a wife, and one daughter, indicate he was near the same age as Melchoir Holman, who was head of his house, had two small sons, and a wife.

The will of Conrad Holman (I) shows he had been married before he left Germany, and the daughter of that marriage, was left a legacy, although her name was not given.

She is mentioned more often in the record than is her husband, although she is listed as the wife of Conrad Holman.

Some of Melchor Holman children by his ^{4,} wife went West also some of Joseph's went west also in 1836 & 37 As you

Can see there was an epidemic of sickness in 1837 most of John Combs Holman family died in Jan 1837 and I think that may be was the reason for some of the leaving this section of country.

I was trying to find out about Joseph & Melchor children who migrated west. I understand some Holman were in Robertson County Tennessee.

This data on HOLMAN has been compiled from the South Carolina State Archives in Columbia, plus some data I had collected in Virginia...The surname of HOLMAN is found in many forms.

Helman	Holman	Holeman	Hallom
Hallman	Hollman	Holemon	Hallum
Holman	Holmon	Holleman	Hellam
Hollman	Hoallmon	Hollemon	Hollom

The surname is German in origin...There are variations of the spellings of the above...The last four spellings seem to the compiled to be English surnames for Holman.

1-a

The wide margin on this ms. is for punching for binding in a note book...The margin numbers are for cross references. The data now is not complete...The S.C. Archives has several books out for binding...I cannot complete the work until I have these books available...The Archives say these books may not be in until sometime in September.

1-b

When a person died with no will his estate was administered or else settled in Equity in S.C. or by a division deed provided all heirs were over the age of 21 years...The South Carolina Archives has no list of administrations, equities or division deeds...Hence this data will have to be searched for in the various county seats.

2

Problems.

Miss MARY LEMNN HOLMAN of P.O. Box 350, Lexington, Miss. is in search of her S.C. ancestors who were born in South Carolina and removed to Mississippi.

2-a

Carroll Co. Miss.

JOHN HOLMAN 1785-1854 was born in South Carolina as shown by the 1850 census...All of his children as shown by the 1850 Census were also born in S.C....He came to Mississippi circa 1840...He first shows in land records of Carroll Co. Miss. in 1844...He seems first to have settled in Winston Co. Miss. for his eldest son bought a marriage license in Winston Co. Miss. in 1842. JOHN HOLMAN left a will signed in November 1853 and from this will the names of his children are shown....The name of his wife is UNKNOWN so far...Children were :

Thomas Holman..name of wife not known..had a child Caroline.

Amos Holman had a wife named Ann.

Jesse Holman had a wife named Rebecca

Nathaniel Holman..no further data

Elijah Holman had wife Margaret Ann Culbertson

If there were other children, they were not listed in his will.

Problem

Mrs. WALDO DeLOACHE...She gave me an outline of her line some time ago when I was a guest in her summer home in Highlands, N.C. I am sorry that I seem to have mislaid the notebook in which I took this data...I trust that Mrs. DeLoache will send me her Family Groups on her Holman line in order to type it in this ms.

4 Problem

The HOLMAN line of Mrs. LORA HANCOCK of 423 E. Kimball St., Mesa, Arizona, begins in Virginia...It begins with JACOB HOLMAN of Augusta Co. Va.

4-a Augusta Co. Va.

JACOB HOLMAN of Shenandoah Co. Va....His will sg. 26 Oct. 1783...No pr. date shown...Wife, Margaret Holman...Children :
Elizabeth Dobbins Daniel Holman
Andrew Holman Jacob Herod Holman
Rachel Holman Rebecca Holman
Mary Ann Holman.

Court of Equity in Augusta Co. Va. has a record of the above will from Shenandoah Co. Va. and states :

The widow, MARGARET HOLMAN in 1784 wed second to William Cathey. One daughter, REBECCA HOLMAN wed JOHN MARTIN and she died and left issue who were her heirs as follows :

Hannah Martin wife of Larkin Raines

John Martin

Elizabeth Martin wife of John Hodge

John Martin and his wife, Rebecca Holman Martin both dead by 1811

ELIZABETH HOLMAN was wire of JAMES DOBBINS and they were in S.C. as shown by a deed sg. 12 Oct. 1784 by JAMES DOBBINS and his wife, ELIZABETH DOBBINS of 96 Dist. S.C. (Old Abbeville) A tract of land in Augusta County Va. that was inherited from Jacob Holman etc...~~xxx~~Land sold to Jacob Schultz.....This JAMES DOBBINS signed the original charter of historic old Greenville Presbyterian Church in Abbeville Co. S.C....He was a soldier in the Revolution in Abbeville S.C....His land was in that part of Abbeville which was later cut off to form Anderson Co. S.C. (Old Pendleton)

4-b Anderson Co. S.C.

JAMES DOBBINS...His will sg. 11 March 1813 pr. date not shown by WPA copy....Wife, ELIZABETH DOBBINS & Ex. (Daughter of Jacob Holman #40a above)....Children :

James Dobbins Jr. & Ex. Robert B. Dobbins

John Dobbins Mary Morris

Elizabeth Hillhouse Sarah Calaham

Jean Liddle

/Wit. William Hillhouse, John Bryce and Abraham Barron.

4-c

SARAH DOBBINS wed HUGH CALLAHAN and are the direct ancestors of Mrs. Hancock.

4-d

Some of these HOLMAN brothers in law of James Dobbins also came to S.C. but I am unable at this point in my study to determine just which ones came...I do know that Elizabeth Marti^d Hodge came for a time to S.C. and lived near her aunt, ELIZABETH HOLMAN DOBBINS.

5 Lands from Lords Proprietors of S.C.

THOMAS HOLLMAN had a warrant for 200a of land in Berkeley County on the 27th day of June 1711.

5-a

This is the first Holman-name to show for lands in S.C.

6 Colonial Counties of S.C.

South Carolina had four colonial counties as follows...Grenville...Colleton...Berkeley...Craven...Each county began at the Atlantic Ocean and ran completely across the state to the North Carolina state line...All the present older counties wre laid out in 1785 from the four colonial counties...Charleston was the County seat of all four Colonial Counties.

7 Land Grants from the King

The land given by the King was by head rights....a single man or woman who was aged 16 years could take 100a of land (However in some years he could take but 50a)...A married man or a widowed woman could take 100a (Some years only 50a) for him or herself and then 50a more for a wife if any...then 50a more for each child under the age of 16 years.

Much valuable data is often obtained from these records which can be abstracted or photostated...OFTEN several men by same first name are in the same file e.g. James Holman may be three mwn with same first name of JAMES in this file.

ALSO

Because a name shows in the Revolutionary Index for S.C. it may be for service as a soldier....merely for supplies which were furnished....Or merely as a witness.

"I was baptised in infancy by a minister of the German Lutheran Church, Guilford Co., N. C., about the age of 2. While alone in the field I resolved by the Grace of God assisting me to serve him the remainder of my life, and my wife thinks she was about 14 or 15 when she professed religion, and now at the age of 64 and 65 we still feel it good to serve the Lord, and have no desire to turn back to the world. We came to Missouri the 11th day of November 1842. In 1846 or 1847, in May, we both joined the M. E. Church, South, and in May, 1850, she was baptised by immersion, by the Rev. John H. Robertson in LaCleda Co., Mo. Our children have all been baptised in infancy but Thompson, that was dead, and Billy, the youngest.

WILLOW SWAMP BAPTIST CHURCH
ORANGEBURG, SOUTH CAROLINA.

Church Minute Book of Willow Swamp Baptist Church is now in the possession of Mr. Brag Williams of Norway, South Carolina. who lives about two miles from this church.

Thirty six men of Dean Swamp Church met at William Tyler's home and with the help of Bretherin, James Sweat and Isaac Dubosque, the presbytery chosen to constitute the church.

The first church house was a small one room building located near the banks of Willow Swamp Creek about 1 1/2 miles west of the site of the present church. The second building was just across the road from present church in the center of the present cenetery. ~~This~~ This building was used until 1865. Lumber had been stacked on grounds to build a new church building when Sherman marched through and burned the church along with the lumber. During the dark days of reconstruction the members built what they called a shelter where they worshiped for about ten years. In 1869 they built another building and colored members were given letters of dismission to organize their church. The beautiful brick church now in use was constructed in 1919 by the following committee; B.B.Williams Sr. --F.F. Bell----V.S, Hutto--D. S. Tyler--and R.A. Young.

The Baptist Church of Christ at Dean Swamp Church holding conference first day of June 22 1805 have dismissed all the members whose names are under enrolled to be constituted a church at William Tyler's on Willow Swamp and when constituted are didmissed from us in full fellowship by the order of the church.

Note: Hiers' wife evidently a daughter of intestate.

Affidavit made by John F. Bamberg 8/19/1825, says that Charles and Benj. Harrison are non-residents of the state. They were ordered served by publication.

LUD HARRIS vs. JOHN L. ATKINSON and T. B. BEST

Discovery and Accounting. Filed Jan. 30, 1827.

Petitioner Lud Harris resides in Alabama, but was formerly for about 10 years beginning in 1808, engaged extensively in mercantile and other businesses at various places in S. C., and in Georgia, on his own account and in partnership with Lewis Harris, Benjamin F. Harris and others not named. Petitioner had in his employment as his agent for those years Nathaniel H. Jelks of Barnwell District, who was "at various times entrusted with the selling and buying of goods, wares, merchandise, produce and stock of every description, with the collection of debts due on judgments, bonds, mortgages, notes and account to an immense amount"; Jelks necessarily had in his possession the papers and books of petitioner in the carrying on of his duties. Petitioner is ignorant of the papers and records he had or of the amounts he collected, and always had the highest confidence in the integrity and ability of Jelks until his unexpected death on (blank date); petitioner being at a great distance, could not get to him to have a settlement before he died. Jelks left a will which has been probated, naming his wife Sarah and defendant John L. Atkinson as executors. The said widow afterwards married defendant Tarlton B. Best, and after about 11 months later she died.

Defendants admit the statements of plaintiff as to deceased being the agent of petitioner and handling large sums of his money, etc., also to having found among his effects a large amount of papers and books belonging to petitioner, but they are in no position to say what amount if any he was owing petitioner at his death.

No orders or decree in the file.

JOHN HOLMAN et. al. vs. THOMAS KENNERLY et. al.

Partition. Filed Feb. 27, 1822.

Petitioners John Holman, Samuel Holman, Henry B. Tindle and Ann his wife (nee Holman), Henry Holman, Elias Holman, of Barnwell Dist., allege that John Holman the father of petitioners, late of said district owned several tracts of land at his death, one being 848 acres in said district on south side of S. Edisto River on road from Kelly's Cowpen to Charleston, granted said John Holman 3/5/1787; another tract of 294 acres in said district, on south side same river granted to James Ward

10/2/1786; another of 465 acres being originally in three separate tracts and by a resurvey made into one tract, survey made by Gasper Trotti 4/25/1791 and being in said dist. on south side said river; also 500 acres in Orangeburg District in fork of Edisto River and Dean Swamp granted John Huger 9/4/1786; also 200 acres in same district on said swamp about 1/2 mile distant from last tract, being south part of tract granted Wm. Davis; and an undivided moiety of two adjoining tracts containing about 1000 acres on south side said River on the Charleston road, owned in common with Thomas Kennerly; also deceased owned 50 slaves (listed), also other personal estate; said John Holman died 4/2/1821, intestate, and his est. descended to Magdaline, his widow, and his children viz: Adam, Lewis, Mary, David, Abednigo, Mariah, Joseph, Daniel and petitioners. Said Adam died (blank date) leaving no widow or lineal descendants, intestate and his share descended to his mother and his said brothers and sisters except John Holman, Jr. who was a half-brother and is therefore entitled to no part thereof under laws of S.C.

No defense was filed and the property was partitioned as prayed.

RICHARD C. HOLDER & wife, HARRIET vs. SAMUEL DUNBAR et. al.
Accounting & Partition. Filed June 23, 1821.

Petitioners are residents of Richmond, Kentucky, and she was a dau. of William Dunbar late of Barnwell District, dec'd. Among the lands he owned at his death was a tract of 550 acres on Steel Creek and Ned's branch, waters of Savannah River; also 400 acres in said district on said Ned's branch granted Christopher Kirline; also 640 acres on said Steels Creek; also another tract on Steel Creek granted Bartlett Brown upon which tract dec'd erected a valuable set of mills which he operated until his death on (blank date) intestate. He was survived by heirs, his widow Sarah who has since married Jeremiah Miller, and children Geo. R. Dunbar, Lucy Dunbar who has since married Henry Y. Patrick, and petitioner Harriet who has since married her said husband. At her father's death petitioner Harrie was a minor, and her uncle Samuel Dunbar, became possessed of her share of the estate under "some pretended means", and has been receiving the income thereof, to his own use. She was led in her tender years to believe her father left but a very small estate which had been sold for payment of his debts and she remained ignorant of the true condition until within the last 12 months. Petitioner learned that said Samuel Dunbar having acknowledged the right of said Patrick and Lucy his wife to one-third of the estate and let them into possession thereof, applied to them for a partition of one-third for her, also applied to Samuel for an accounting, but was denied.

No answer was filed by defendants. Writ of partition ordered to issue. No return or decree in the file.

HOPKINS HOWELL vs. JOSEPH HOWELL, Jr. et. al.
Equitable Relief and Partition. Filed July 30, 1821.

Petitioner resides in Barnwell District and alleges that on 3/6/1815 he owned in fee simple a tract of 723 acres in said district on west side South Edisto R. on which petitioner had and still has a plantation and his residence. Plff. was indebted to David Crum and Jacob Ott about \$770.00 on two separate judgements. In order to pay off same he decided to sell 500 acres of said tract, retaining his home-place & etc. the 500 acres being unimproved. John Wolf of said district agreed to buy same @ \$2.00 per acre, and it was so agreed between the parties that in view of the premises being under levy, for the Sheriff to go ahead and sell the property and it be bid in by said John Wolf

Susan,
Thank you for your very interesting message. I only have two by first wife and eleven by second. I did have Abednego but nothing further on him. However, I am not the expert on these families so I am forwarding your message to our Orangeburgh e-mail discussion group for possible comment. I am also including Jim Steinwinder as info as he has forgotten more than I will ever know about the Stivender family. Good luck in your research. P.S. If you have a clear photo of the ring, I would love to have a copy for our Orangeburgh German-Swiss Archives.

I have a letter from a cousin doing Holman research listing 14 children of John Holman's second marriage to Magdalena . The list includes Abednego Holman who married a Mary Stivender and they had Margaret Jane Holman and others. Margaret Jane Holman married Owen R. Radcliffe (1870's?). They were my great great grandparents. Do you know where he would have gotten this information/ Is it accurate? Also we have a 209 year old wedding ring with the initials MHB which is supposed to be Margaret Holman Batzegar one of our ancestors. Have you ever heard of her?

Thanks for your help! Susan Hovermale

Susan,

I have scant info on Abednego Holman as he managed to evade the census taker on each decade of his short life. I have rather court info and not too much of that.

The court of Equity hearing of Barnwell Co, SC, dated 27 Feb 1822, John Holman et al vs Thomas Kennerly, the husband of Ann (nee Holman) states that the late John Holman the father of the petitioner owned much land (acreage spelled out). And that John Holman died on 2 Apr 1821 intestate.

His estate decended to his wife Magdaline and his children: Adam, Lewis, Mary, David, Abednigo, Mariah, Joseph, Daniel and petitioners.....

The Court of Equity hearing of Henry D Grimes vs Henry Holman et al. Barnwell Co, SC as filed 2 Jan 1858 states that Abednego Holman died intestate in Aug of 1848 and left as his heirs-at-law, Mary his widow and children:

- (1) Rinaldo D Holman
- (2) John F Holman
- (3) Margaret J Holman
- (4) Henrietta M Holman
- (5) Virginia D Holman

(order of children not stated)

His widow Mary was appointed admx and had since married again to Henry D Grimes.

Her letters of administration were revoked and committed to _____ Holman.

The court awarded \$50/yr to the stepfather for seven years for each for their board.

Testimony showed that the youngest girl was 10 years old in 1860.

Now in response to your E-MAIL to Gene Jeffries dated 16 Jun 1988 I posted an E-MAIL listing the parents and children of John Holman Sr. I do not know whether he will post it to the newgroup. If not, E-Mail him and request a copy. Reason: John Holman was a proven Rev War soldier as was the grandfather of Mary E Stivender which would be harder to prove as she is not listed in the administration of her father's estate in 1833 as were not listed several other children.

Gene,

I think that you did not get my msg over the weekend re Holman so I have just sent it again.

In addition in your latest Holman query you mention books on the Holmans. Well, I have another for you.

Mary Harper in her correspondence to me often mentions a book by Garland Slater entitled "John Holman and Thomas Kennerly of St Matthews Parish, South Carolina" In this study another Stivender girl pops up. Her name is Mary Stivender b ca 1805 who married Abednego Holman, brother of Joseph Holman who married Frances Stivender. Mary Harper sent this to me thinking that she had found another daughter of Frederick Stivender of Barnwell Co. Problem is that I already have a Mary Stivender who is proven to be a daughter of Frederick. I think that she may possibly be the missing daughter of my branch of John Stivender/Steinwinder who was b between 1800 and 1810 according to the 1810 census.

Also in Mary's correspondence she references a Holman Bible. I think that this must be the bible of Joseph Holman who married Frances Stivender, Daughter of Frederick Stivender, Barnwell. I am no sure of this. Will query her on this.

JAMES G. GUESS and DANIEL GUESS vs. JOHN HUTTO et.al.
Partition Proceedings. Filed Nov. 5, 1858.

James G. and Daniel Guess brought their petition and alleged that their father, John Guess; late of Barnwell District, died in February, 1858, leaving a will dated Oct. 19, 1847, probated March 1, 1858. The will bequeathed as follows: One share of the estate to testator's grandchildren Martha Ann King (now the wife of William Sauls), Rachel King and Allen Free; another share was given to his grandsons Manly and John Guess; another share to his daughter, Susannah Copeland and her husband Lott Copeland for their lifetimes and then to descend to her children; another share was given testator's son Daniel Guess; another share to his daughter Theney wife of John Hutto; another share to his daughter, Elizabeth wife of Charles Hutto; another share to his son James G. Guess. Petitioners were named executors. (Note: James G. Guest in other places in the proceeding was referred to as Gardner Guest, that evidently being his middle name). Petitioners say that since the making of the will and prior to the death of the testator his daughter Mrs. Copeland died. Deceased owned two tracts of land near Graham's Turnout, one of 270 acres and the other of 350 acres. The children of said Susannah and Lott Copeland are nine in number, viz: Theney who married (blank), Adeline who married John D. Peters, Marcelly who married H. H. Howell; Narcissa who married John Moore; Irwin, Lavica, David, Daniel and Edward Copeland. Petitioners seek a division of the estate.

EXHIBIT A (attached to the petition): Will of John Guess, dated and probated as above stated, bequeaths as above stated. It is stated that Martha Ann and Rachel King were daughters of Henry King and his wife Rachel; and Allen Free was son of Jacob Free and Sinar Free. Manly and John Guess are sons of testator's deceased son John Guess. Witnesses: Joseph C.H. Zeigler, Emily Zeigler, Joseph Lowrey, James D. O. Zeigler. Abstractor's note: Lott Copeland and family were in 1858, residents of Lowndes Co. Ga., as were the will's witnesses, the Zeiglers.

X
HENRY D. GRIMES vs. HENRY HOLMAN, et.al.
Petition for Equitable Relief. Filed Jan. 2, 1858.

Petitioner alleges that Abednego Holman died intestate in Barnwell District in August, 1848, and left as his heirs-at-law, Mary his widow (now the wife of petitioner) and children Rinaldo D. Holman, John F. Holman, Margaret J. Holman, Henrietta M. Holman, Virginia D. Holman. Deceased owned a considerable estate. The widow, the said Mary, was appointed Admx. on the personal estate and she remained in charge until her marriage when upon the petition of Henry Holman, one of the sureties on her bond, her letters of administration were revoked and the estate was committed to SAID Holman. He says that the estate lands have been partitioned in this court and that one-third thereof was assigned to said widow and the other two-thirds to said children. Said two-thirds was assigned to said children in lands and personal property and same has not yet been sold but may be at anytime by the Commissioners when directed. The said Margaret J., Henrietta M. and Virginia D., are minors and for the last three years have resided with their mother in petitioner's home. He says they have been supported entirely by him but he is unable financially to support them and their mother insists on them remaining with her. Petitioner says he has applied in vain to the Admr. for as much as \$50 annually for each one's support to be paid out of their share of the estate, and asks for judgment accordingly. Petitioner and his wife were married in 1852.

Testimony showed the youngest of the girls was 10 years old in 1860, and that they went as well-dressed as the other girls in the community; that their stepfather owned two slaves, one of same being a woman in the home. The Court awarded \$50.00 per year for 7 years for each, for their board.

St Matthews Lutheran Church was my family's church of choice as the family first settled on Beaver Creek off the Congaree River in 1753. It remained our church for those of the family who remained in the area after other branches removed to Barnwell Co between 1800 and 1810.

Records of the church prior to about 1799 consists mainly of church housekeeping and little or no genealogical value can be assigned to the records prior to that period.

The following listings are St Matthews records pertaining to the Holman family who married into my family around 1800. The branch of the Holman family who married into my family also removed to Barnwell Co after 1800.

Gene,

I think that you did not get my msg over the weekend re Holman so I have just sent it again.

In addition in your latest Holman query you mention books on the Holmans. Well, I have another for you.

Mary Harper in her correspondence to me often mentions a book by Garland Slater entitled "John Holman and Thomas Kennerly of St Matthews Parish, South Carolina" In this study another Stivender girl pops up. Her name is Mary Stivender b ca 1805 who married Abednego Holman, brother of Joseph Holman who married Frances Stivender. Mary Harper sent this to me thinking that she had found another daughter of Frederick Stivender of Barnwell Co. Problem is that I already have a Mary Stivender who is proven to be a daughter of Frederick. I think that she may possibly be the missing daughter of my branch of John Stivender/Steinwinder who was b between 1800 and 1810 according to the 1810 census.

Also in Mary's correspondence she references a Holman Bible. I think that this must be the bible of Joseph Holman who married Frances Stivender, Daughter of Frederick Stivender, Barnwell. I am no sure of this. Will query her on this.

Jim,
Sorry I haven't thanked you for the last information but am just getting back to the computer as my mother passed away this past weekend. The information on the records will help a lot. I'm trying to enter the information on my Holman connections now and wonder if you know if Dr. Melchor K. Holman's (b.8/13/1825, d.12/30/1907) second wife Emma Lucia Moss was the daughter of James Erwin Moss and Selina Catherine Stroman? Also would his name be Melchor or Melchoir? It is spelled Melchor in the book that I am using.
Thanks again.

Hi,
I see where you are researching Holman. I have a John Holman who
married
a Sarah (Sally) Dorminy. She was born in 1784 probably in Richland
Co.SC.
Her father was Andrew Dorminy 1754-1817 who married Margaret.

If you could help me I would be most appreciative.

Thanks,
Edd

he

Dear Sir:

I think your manuscript is wonderful, and I realize what a great deal of work went into the collecting of this data.

I have not had time to study it as I want to, and as yet have not been able to connect with anything. I do know that an aunt, once said that she had been told that a grandfather not to many generations back spoke German and could not speak English. I did not think much of this until I read your manuscript, then I began to think there might be something to this story.

When I think that some of the people you have collected data on are my people I get so excited I can hardly wait to know which they are.

Thank you so much, I am

Dear Mr. Andrea:

I am at a loss to know what to do next about the HOLMAN research. I would appreciate your advice on what to do.

I wrote Mr. J. Blanding Holman, foreman of the Grand Jury, Lexington County. He suggested I write to Mrs. W. H. White, Abbeville, S. C. She was Edna Holman and has done some research in family history. I have not had time to hear from her. Thank you very much for putting me in touch with this Mr. Holman. This may prove to be a great help.

The names in paragraph # 24 of your ms sounds a little like family names. Please compare with names in #41 and tell me what you think. John, Rachael, Jessie and Thomas appear in both. I would like to check the St. Matthews Church records.

Rev. Cecil C. Helmly, who was pastor of the Lutheran church here in Louisville until a short time ago, was in school at Newberry college with Rev. William H. Stender, pastor of St. Matthews, of Amelia Township, S. C. He gave me his name and I wrote him asking that he have some one check the church records for all HOLMAN names. I offered to pay for this service, but I did not get a reply, and that was at least six months ago. It is possible I had the wrong St. Matthews. Is this church at Cameron, S. C.?

Could you tell me how to borrow, rent or buy a copy of the "History of the Culbertson Family" by Dr. Lewis R. Culbertson, of Zaneville, Ohio. This book has a complete history of my Culbertson line if I could just get hold of it. I have tried Goodspeed and other dealers, and a number of libraries. I have found only one place that has it, American Antiquarian Society of Worcester, Mass., and they will not loan genealogical books. In your HOLMAN ms. you mentioned Old Quaker Union Baptist Church in Laurens County, and stated that Culbertson are buried there and that some now live

51

in the community. I would like to contact these people, could you tell me how to go about it. I might find that Josiah Culbertson, the Revolutionary soldier was buried there.

My plans now are to come to S. C. for a week or ten days about the middle of May. I do not have that much time off from my job very often so I do want to make the time as profitable as possible.

I will appreciate very much your answer to all the questions I have ask, also any suggestions you make make.

Thanking you, I am

...Yours sincerely,

Mary Lynn Holman

Dear Mr. Andrea:

Thank you so much for your letter and the suggestions you sent. I have made several contacts and they have been very rewarding.

From Mr. John Bolt Culbertson I received a nice letter telling me that he had a copy of the Culbertson History, and that he will lend it to me.

I have also had a letter from Mr. William Capus Holman, son of the Mrs. Holman who died at Cameron. From the information he gave I am almost sure his family and mine are the same. I hope to see both Mr. Culbertson and Mr. Holman while in S. C.

Our plans now are to leave here on Thursday May 18th. We will visit Greenville and Old Quaker Union Church first, next Chester. We will pass through Columbia on our way to Cameron Tuesday or Wednesday. If you are in the city at that time we would like to stop and talk with you.

I will be traveling with my Aunt Mrs. W. B. Holman and two other ladies. They are doing family research and that means our time will have to be divided. Two of them are working on the Worthy family and the other will be working with me on the Holmans.

Thanking you again for your kindness, and hoping to see you in May, I am

I am writing you to find out
some information about Conrad Holman
also Joseph Holman and Melchor Holman.
I received a letter from Miss Mary Lynn Holman

in Orangeburg County. I happen to be one
of Conrad Holman's descendants and live on
the place that he had granted from
the King of England. The old Holman cemetery
is here on my place with some graves
marked and others not marked. She stated
in her letter that some of Conrad Holman
people had an old Bible. That is what I
like to know what has it and if I could
find out any real information concerning the early

Dear Mr. Andrea:

I am at last getting the material ready to mail, that I wrote you about back in September. I am very pleased that you will review this data and give me your opinion.

I am sure much of the material will be of no value, but may be make the story of the HOLMANS a little more interesting.

The Census Records are very poor, but I am sending them anyway. I live one hundred miles from Jackson, Mississippi, where the State Archives Department is, and I can't find time to do census reading like I would like to do. These I have should be done over, now that I have so many names from the Willow Swamp Church record and the Barnwell Court House records. It seems to me that every discovery of new data calls for a rereading of census records.

You will notice that I have the material in two packages. The material in one package I would like returned, and it is so marked. The other it doesn't matter whether it is returned or not as I have other copies. You will notice I have a list of questions attached to the manuscript you prepared for me some years ago.

In your letter you mentioned a Holman Bible record from Newberry County. I haven't seen it.

I realize that I am sending the material right at Christmas,

57

when you may have other things to do, but there is no great rush about it.

I hope you have recovered from the broken ribs. I have been told it is very painful.

I wrote to a Miss Leila Walker, Blackville, S. C., and she thinks she knows where some of the older HOLMANs are buried. I walked over Willow Swamp cemetery also Dean Swamp Cemetery and did not find a single HOLMAN marker. With John, Senr. having such a large family, and owning so much land and fifty slaves, it seems they w~~h~~ould have marked graves, or at least some of them. My John, I believe, lost a son, possibly in his teens. I think it is the Rufus Holman, who joined Willow Swamp Church. The name Rufus was used by the next generation. The 1830 census shows him with six sons, his will only mentions five. The female under five in this census, I at one time thought might be the Caroline mentioned in his will, but he ^{states} she is to have the money when she reaches 21 years. From 1830 to 1853 when he made his will would be twenty three years, which would rule this out.

You will be able to locate John, Senr. on the Barnwell map. You need not return the map I have another one.

With best wishes for Christmas and the new year, I am

Yours sincerely,

Dear Mr. Andrea:

Thank you for the information on Saxe-Gotha. It helped to clear up some things for us. I would like so much to talk with you about the things we have gathered on the HOLMAN family. I say we because my Aunt, Mrs. Josie Holman and I have worked together for years. She has been extremely busy this winter typing cemetery records. For the past seven years she has been copying the cemeteries in Winston County, a tremendous job which she completed last summer, and is in the process of typing them at this time, after finishing this she will see about getting them printed. This will be a very valuable help for people interested in tracing their ancestors.

I am sending you some material to look over, which includes a copy of the John Holman, Sr. Bible, that we found in Bamburg, S.C. After you returned the material, we got in touch with a Mrs. Lefvendahl in Orangeburg and shedid some work for us off and on. She was working in the Orangeburg Library when we first employed her, but she later took a job as librarian in the school at Mullens, S. C. and had very little time for research. I do think her summary is good and I am thinking you might like to look it over. I am sending a copy of Conrad (I) will, because there are one or two things I would like to talk about.

This has been a long hard task and not completed yet. I see the thing like this:—

Conrad Holman(I) and wife Mary Ann came to S. C. in 1749 from Germany and petitioned 100 acres of land in Amelia Twn. in Berkley County near Orangeburg Twn. They had no children at this time as his will (1771) states "all my children that reside with us and born from my wife Marian Holman in this province since our emigration here". (Also see Journal of Colonial Council)

Jan. 20, 1749-1750.

In January of 1771 he received another land grant for 550 acres of land in Amelia Twn. I am guessing this to mean a family of man and wife and about seven children. We know the names of two of the children from Baptismal Records, dau. Mary Ann born May 14, 1753 (this would be about 4½ years after her parents arrived in S. C.) A son, Joseph born Sept. 8, 1757. Casper Brown, Joseph Festner and Regina Willis were God Parents when both of these children were baptized. Casper Brown must have been very close to the family for Conrad appointed him executor to serve with his wife, Mary Ann, when he made his will.

I believe the other children were Conrad (II) born before dau. Mary Ann but not twenty one years old when Conrad (I) died in late 1771. Had he been twenty one I think his father would have made him executor in his will. This Conrad was old enough to serve in different ways in the Revolution. It seems that he took over as head of the house after his father's death, and the 1790 census shows him living next to James Kennerly, husband of dau. Mary Ann (see Conrad's (I) will which names James Kennerly as husband of

Mary Ann. James Kennerly's name shows as witness on this will). Conrad (II) seems to have come into a good bit of property in some way. I have a photostat of a document where he is asking for pay from the government after the Revolution, for a negro he sent to Charleston to do Public Work and fell into the hands of the enemy at the fall of Charleston and did not get the negro back. One of the people making an affidavit concerning this loss was Casper Brown, date 1785. I do not find Casper Brown in 1790 census. He probably died between 1785 and 1790. In April 1802 Conrad Holman, Jr. and Adam Shier witnessed a deed to land bought by John Holman from John Fisher in Barnwell District, Book 3 Page 83. (more about this John Holman later). I think John Conrad Holman born Sept. 20 1775 was son of Conrad (II) (He is # 24 in your manuscript). I do not know the name of Conrad's (II) wife. In 1826 John Conrad gave 2 2/10 acres of land for the present St. Matthews Lutheran Church. One printed record states that the first Amelia Chapel (forerunner of St. Matthews Church) was at "Mrs Holman's on Lyon Creek". (I guess I should say members baptized in the Amelia Chapel were Lutheran and formed St. Matthews). The 1790 Census of Orangeburg shows Conrad (II) 2-1-5, one of the males over 16 could be John Conrad mentioned above as census records are sometimes a year off. Conrad Holman is listed among Registered Voters Nov. 18th, 1811 in St. Matthews Parish. This could be Conrad (II) or it could be his son, John Conrad, born 1775. So much for Conrad II.

John Holman, ^{Sr.} born Oct. 29, 1759, died Apr. 3, 1821 (from his Bible record) married ca 1883 Rachael _____, Bible shows first child, John, Jr., born Nov. 19, 1784. I believe this to be one of Conrad (I) sons. John, Jr.'s obituary states he was born in Orangeburg and I find only one John Holman as head of a house in the 1790 census and he had 2-2-1, it seems to me one of the males under 16 is John, Jr. 1784. Possibly the other son died soon after the 1790 census for the next child listed in the Bible is Jesse born 1792. Rachael died soon after this and John, Sr. married again to Magdalen _____, and had fourteen children by her. In the 1790 census John Holman is living near Conrad II and James Kennerly and again in 1800 we find him in the Northern part of Orangeburg, but in October 1800 we find John Holman buying land in Barnwell just south of the Edisto River, which is now a part of Bamberg. John, Sr. is my ancestor, I come down through John, Jr. the Baptist preacher who came to Mississippi. Mr. Capers Holman of St. Matthews told me when I talked with him a good many years ago that he felt sure that I came down through Melchoir Holman a son of Conrad. He said there was a story that had come down in the family, that Melchoir married Rachael Whetstone and she had some children, he did not know how many but died young, then Melchoir married a widow, Mary Brown and had several children and he (Capers) descends from one of Mary's children. He also said that the children of Rachael went west in 1836 or 1837 and the family lost touch with them. This story fits so well the John Holman, Sr. family that I am wondering if it got mixed up.

Melchoir Holman b. 1763 d. 1804, a son of Conrad Holman ~~XXXX~~ (I). Mr. Capers Holman has a record of this family. Capers says a member of the family in a near by town to him has an old deed for land owned by Melchoir Holman, and witnessed by Conrad, Joseph, and Eohn Holman. In Volume 43 of S.C. Historical & Genealogical Magazine can be seen this, "The congregation of St. Matthews German Protestant Church in Amelia, Melchoir Holman, Joseph Holman, John Holman.

Dr. E. B. Hallman of Spartanburg, S. C. has confused us a great deal by bringing up so many names of other HOLMANs and HALLMANs in S. C., and I may have to change my thinking but I'm not ready to change just yet.

One other thing I would like to mention, James Kennerly had a son Thomas who married Rebecca Whetstone (marriage recorded in Sta Matthews Church Register). I have a copy of a DAR paper of a lady in Columbia who joined on the record of James Kennerly, and the paper states that James Kennerly was born, lived and died in Saxe-Gotha Twn, S.C., but his son Thomas and wife Rebecca lived on land joining John Holman, Sr. in Barnwell County, and after John Holman's death his wife Magdalena made Thomas Kennerly trustee to a twelfth of her property for one of her sons. It appears that kinfolks drifted along together.

I must close, this letter is too long, and I'm not sure I have made my thoughts clear to you or not. But to sum it up I think Conrad (1) and Mary Ann had the following children, Conrad (Jr), Mary Ann, Joseph, John and Melchoir, and most likely some others, and I have tried to give my reasons for thinking so.

I am enclosing three things, Please return when you have finished with them. I believe you wanted a copy of the Holman Bible. We were delighted to find this Bible. We could not get it photostated in Bamburg and had to take it to Orangeburg to get this done. Mr. Jacob Hartzog has the Bible. His half-sister was who died about three years ago was descended from John Holman, Sr. through Adednego Holman, and she had the Bible. Jacob is not descended from the Holmans. I ask him to give me the Bible but he said there was another half-sister who was interested in it.

I sincerely hope you get a good report when you go back to see your Doctor.

Yours very truly,

Mary Lynn Holman
(Miss) Mary Lynn Holman

P. S. We have just employed Mrs. Fitzsimons who lives in Charleston to do some searching for us in the old records there. She has not had time to do anything yet, and too the weather has been so bad the last week or two. I hope she can help us.

My Aunt has just reminded me to tell you that she has just received a letter from Mr. Lee R. Gandee of Hickory, N.C. in which he stated that he had found the Journal of Pastor Christian Theus 1740-1790 Minister in Saxe Gotha, and that he was preparing to get it and have it translated and if anything in it of value to us would send it. He said contact him again in about four months.

If you can think of anything you might do to help us, we would appreciate you doing it and sending us a bill. I have been, that possibly land plats would show neighbors whose names might prove something.
